

Our Aims

Our mission is to raise awareness and much needed funds to brighten the lives of children with cancer, to do this we work alongside Clic Sargent, the Macmillan outreach nurses and the play therapists at the Schiehallion Ward, Yorkhill Childrens' Hospital.

One of the first things Chloe's Chemoo Cows does is provide all children receiving chemotherapy with their own Chemoo Cow gift box containing a soft toy cow, bookmarks, wristband, stickers and cow birth certificate.

We then liaise with the staff to buy much needed crafts, toys, DVDs, ipads and other items for the children or the ward. We deliver these parcels of crafts & activities (weighing 20-25kg) to the ward 3 times a year as well as making additional deliveries with other gifts at special points in the year including Christmas and Easter.

The charity is going from strength to strength and to date we've raised over £150 000 but we couldn't do this without your continued support and fundraising!

Chloe's Chemoo Cows is a registered charity, founded by Chloe's parents, and is fully committed and focused on our aim to brighten the lives of children and young people living with cancer.
